A. The sum of the columns does not equal the Total Reporting Unit column by a difference of \$31,994,500 because the debt related to the Component Unit Manassas City Public Schools (MCPS) is reflected in the primary government's Governmental Activities column reducing unrestricted net position. The assets are reflected in the Component Unit column as net investment in capital assets. The Total Reporting Unit column matches the assets with the debt and reports the net amount of the net investment in capital assets.
