

Old Town Parking District

REVISED OLD TOWN PARKING PLAN

Upon the opening of the VRE/City of Manassas Parking Garage, the following changes will occur in City of Manassas Old Town Parking

- Lot C (Railroad Depot) will convert to General Parking (4Hr Public Parking 6.00 a.m. to 6.00 p.m. Mon-Friday) and unrestricted parking at other times
- There will now be over 300 commuter parking spaces in the first three floors of the new garage which will be available on a first come first serve basis during commuter hours Monday – Friday, 5:00 a.m. to 10:00 a.m. Commuters will need to obtain a Red permit from the Treasurer's Office to park on these spaces. The Upper two floors of the garage will be reserved for General Parking (4Hr Public Parking 6.00 a.m. to 6.00 p.m. Mon - Friday).
- Parking in the deck is unrestricted evenings, weekends, holidays and times other than restricted times specified on parking signage.
- The City will reserve 32 spaces in existing Lot F (triangular lot at Main Street and Prince William Street) for “Commuter Parking with Red Permit – City residents only, for use by City residents whose vehicles can’t use the new garage because of the 7ft height restriction; the existing 33 Blue Permit spaces in Lot F will remain unchanged.
- In lot B (the Water Tower lot), the existing 22 General Parking spaces (4 Hr Parking) will be converted to Blue Permit Parking (6.00 a.m. - 6.00 p.m. Mon – Fri). The 10 Amtrak and 6 HMI spaces will remain unchanged.
