

# WARTIME MANASSAS

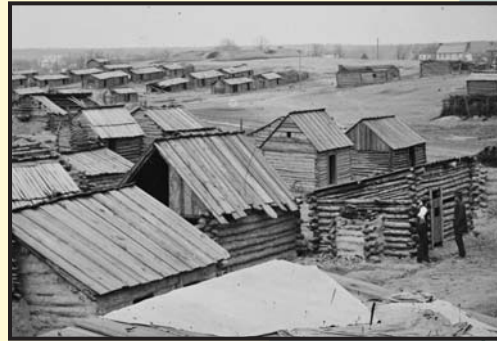

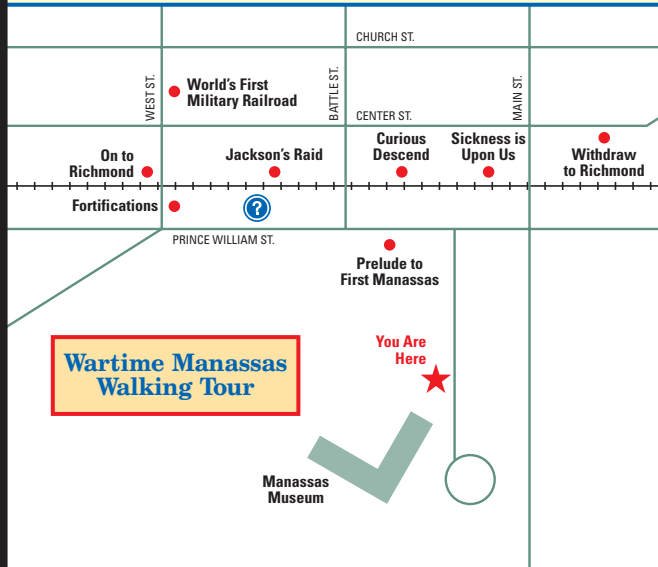

## Walking and Driving Tours

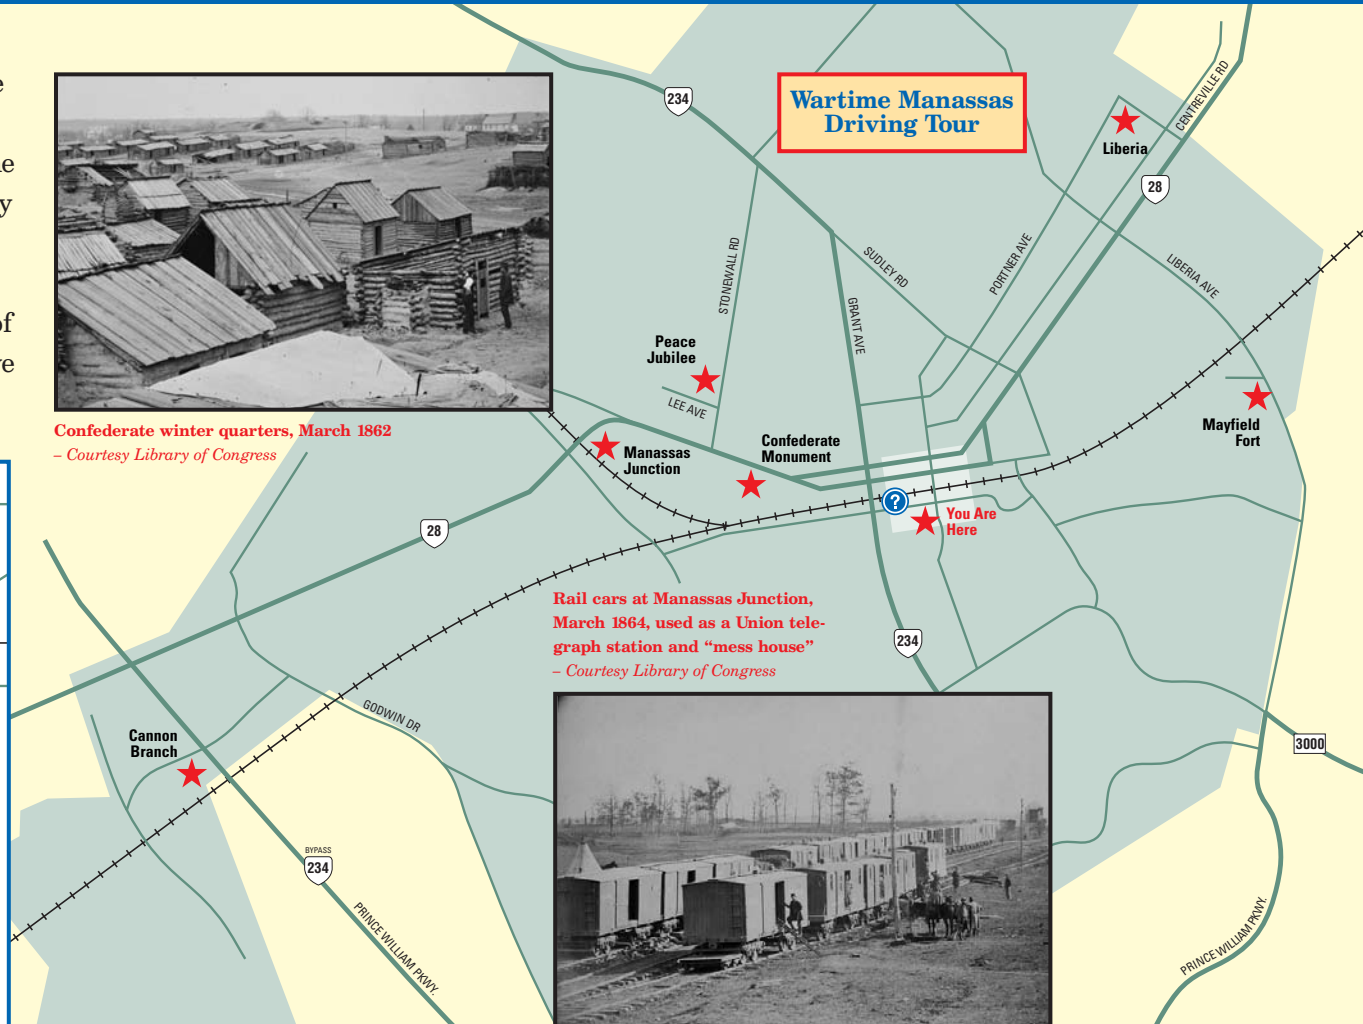

The Manassas Museum System invites you to take walking and driving tours of the city's historic Civil War sites. This map shows the locations of the sites featured in both tours. Copies of the map may be obtained inside the Museum to take with you.

To begin the downtown Manassas walking tour, follow the trail to the marker at the bottom of this hill to your right front. Return here to retrieve your car and begin the Manassas driving tour.
