Neighborhood Team areas are based on geographic area, population and calls for service. They are **not** representative of a school district. The school physically located within an area will serve as the central meeting place for the neighborhood teams and “Town Hall Meetings.”

Matrix indicates organized Homeowner Associations (HOA), however, subdivisions not represented by an organized homeowners association are welcome to attend meetings. To find out your Neighborhood Team area, please call the Manassas City Police Department at 703/257-8000.
