Attempted Fraud

On October 2, 2015, Manassas City Police met with a resident for a report of an attempted fraud. The reporting party told officers that she received a call from a man claiming to work for a local power company who told her that her payment for utilities was late. The resident recognized the call as a scam and did not supply any information or pay the caller.

On the same date, officers met with a small business at 9126 Center St for a similar report. An employee told officers that someone had called from a local electric department and told him that in order to avoid having his utilities turned off, he would need to pay the caller. The business recognized the call as a scam and did not supply any information or pay the caller.

Note: The City of Manassas is the sole provider of utilities in the City of Manassas (20110), and will not call customers demanding money. Utility bills may only be paid at the [Department of Public Works](#) (located at 8500 Public Works Dr) or via the City of Manassas [website](#). Unless you initiated a transaction with your bank or a business, **NEVER** give out personal or financial information just because someone asks for it.
